

REMARKS

In the Examiner's Notice of Allowability dated April 9, 2004, claim 16, line 2 was amended to replace "fourth" with --third--.

In this present amendment, claim 16, line 3 is being amended to change "fourth" to --third-- to provide consistency with the amendment to claim 16, line 2.

Pages 43 and 45 of the Specification are being amended to change "fourth" to --third-- to provide consistency between the specification and claims.

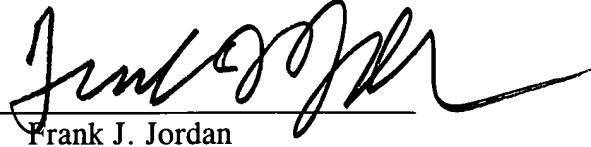

This Amendment was not earlier submitted because applicant did not become aware of the need for the Amendment until after the interview with the Examiner on March 29, 2004 wherein claim 16, line 2 was amended. The Amendments herein are needed to provide consistency of antecedents with the amendment to claim 16, line 2.

In view of the above, it is respectfully requested that this Amendment be entered.

Respectfully submitted,

JORDAN AND HAMBURG LLP
